DESERT ATTRACTIONS

Unlike many deserts where people will avoid visiting due to the harsh climates ranging from hot temperature during the day to cold temperatures during the night, deserts in Dubai are viewed as attraction sites. This is mainly because the deserts in Dubai offers room for various fun and attractive activities which include the desert safari. The following activities are ranked among the most attractive in the Dubai deserts.

#01 Dune bashing

Dune bashing is not a familiar term to many. It involves driving at varying either increasing or decreasing speeds over the sand dunes. It gives some a different feel from the one they get while driving on the roads. A trained instructor drives you through the dynamic dunes of the Dubai deserts. Preferably, a 4X4 roller-coaster or a sports utility car are preferred. The cars are then driven at speeds at speeds that match the levels of confidence in a person. This is a very memorable experience you will have when you visit Dubai.

#02 Sandboarding

Sandboarding is another activity you should not miss when you make a visit to Dubai. The recreation activity is almost similar to iceboarding and snowboarding only that it takes place on the sand dunes. You ride either down or across a dune while standing and having their feet strapped on the sand boarders. The recreation activity is very common in Dubai and it is even more exhilarating when you hop out of the 4X4 or the SUVs after dune bashing and hop on sandboarder. This will leave you yearning to have the same experience time and again.

#03 Camel Riding

You may be very eager to have a try if not a feel of camel riding and wondering how and where you can quench your wish. Here is a solution for you. Visiting Dubai could be the first step of making your all-time dream of riding a camel come true. In the Dubai deserts, camel riding is an activity that fits in well. Given the warm temperatures that you would be missing from your home countries and the fun of riding the empty desert makes your visit to Dubai more exciting. A combination of waking up early from your hotel room, riding on a camel through the desert and taking photos makes your day brighter.

#04 Quad biking

Ever thought or heard of quad biking? Ever thought of where you could experience it? Worry no more because Dubai offers you this experience at pocket-friendly rates. The activity involves driving or riding a motor vehicle which has a close look to that of a motorcycle but it has 4 wheels. Traversing on the sand dunes of the desert on a quad bike gives you a breath-taking experience that can be matched elsewhere. With proper timing, quad biking gives you a feel for the cool desert winds.

#05 Falconry

This is yet another desert activity you cannot fail to experience on your visit to Dubai. This is a sports activity where to try to catch the fast falcons as they soar through the skies and come down at very fast speeds almost that of a lightning. The activity has been interwoven with the Dubai cultural fabric since the days it was used to hunt hares until now it has been approved as a sport in Dubai. Due to the enthusiasm that many has shown towards the sport, the government has gone ahead to initiate the Fazza Championship that is held annually. By visiting Dubai, this will no longer be a story to you. You will live to narrate it to your peers and your family and possibly visit Dubai very many other times just to have a feeling of the same.

#06 Camping & Barbecue

Deserts in Dubai offers one a good offers a spectacular environment for those who enjoy camping a lot. A good case is the Lahbab desert. The desert has fossil rocks which are very attractive to see and take photos. At night, the desert enables the visitors to keep watching the stars in the sky. This is a rare to find opportunity but readily available for you to utilize once you visit Dubai. By camping at Lahbab, one stands to enjoy things such as a large play area for both the adults and the children, place to set tour camping tent, a place to put up a fire to warm the food among others. With this, it becomes very fun and enjoyable to share a barbecue with your peers as well as your family.

SEA & BEACH ATTRACTIONS

Globally, sea and beach are ranked among the top tourist attraction sites. This is because sea and beaches offer one a variety of fun and enjoyable activities to choose from. You can go to the beach to relax, enjoy the sea breeze, play with water, and swim among various other activities. It is worth to note that most of the world countries are landlocked or cannot access the sea or even the ocean. In other words, many countries do not have direct access to the sea and therefore have no beaches. It would also mean that the citizens of these countries cannot enjoy the beach from their countries unless they travel. Due to this, you may be wondering the place to visit especially if you come from these countries. The solution for that is here. Dubai is the place to be. Reason being it will offer you almost all the activities you can imagine of. Below are some of the activities.

#07 Snorkeling

Snorkeling is the type of swimming where you swim through the water mass while you are dressed in a diving mask which has a tube-like shape called a snorkel and at times some swimming fins. This recreational activity in the Dubai beaches is very appealing and attractive as they present to you an opportunity to have a view and observe the underwaters in a very natural setting rather than the usual pictures, drawing or videos that you are used to watching. It also allows you to play and swim together with the fish as well as other creatures in the water. Some of the places you can try the snorkeling includes the Ambassador's Lagoon, Al Boom diving, and the Dubai Aquarium.

#08 Shark Dive

This is a sporting activity in the Dubai that will allow you dive with the sharks. The activity has helped to change the perception many people had towards the shark that they dangerous to the human being. As a result, many people have started embracing the sharks and loving the sporting activity as well. With this sport, you will be able to swim with the shark itself, have a close and natural view of it even take photos to post on the social media websites such as Instagram. One can also be able to dive deep into the sea as they try to reach the sharks. In Dubai, shark diving is offered at places such Atlantis the Palm among others.

#09 Dubai Marina Beach

Dubai Marina beach is a resort and spa which is located between the Dubai Marina and the Jumeirah beach. It is also located close to the Dubai marina mall as well as the Dubai Tram. Therefore, by visiting the beach, you will have some much fun and activities at your disposal. You can walk into the Dubai mall and do your shopping and also enjoy the wonderful the wonderful interiors of the mall. The beach itself offers you an outdoor pool where you can relax and also enjoy the calm winds in the beach. The beach also allows activities such as the skyscraping, apartment blocks and an ideal environment for a walk of lovers just after they have had their meal.

#10 Dhow Cruise

This is another breath-taking activity you must enjoy at the sea once you visit Dubai. The sea adventure entails boarding the traditional dhows and enjoying your meals such as dinner during the rides. You will then cruise down the Dubai creeks as you enjoy the luminous looks of the Dubai city. You will have unmatched fun on the dhows. You will have the best moment to show to prove your love to your loved one as you enjoy the cultural music in Dubai as well as the Tanura dance. Romance has never been this easy before. This activity can be found on among other places the Dubai creek.

#11 Dubai Water Park

The water park is another must-do activity on your visit to Dubai. The activity comprises various features such as jumps into the water, monkey bars, balloons, and slides among others. During these activities, you will be provided with life jackets to ensure your safety during your time in the park. There are also staffs to guide you through the park. The largest inflatable water park in Dubai and in the world is the AquaFun. The park has both the highest and the longest water slides that extend to an area 2700 square meters. The AquaFun floating park also spells the word Dubai on the ground though it is not easy to notice. AquaFun helps you and your children to remain entertained for the hours you will be in it.

#12 Kite Beach

Kite beach is rated among the places that will make their Dubai visits a memorable one. The beach is a darling to many visitors who enjoy the water-related activities. The beach offers a good serene for the beach goers as well as the kite surfers to unite on the beach. In addition, the beach offers you with the required watersports activities which include the kitesurfing, wakeboarding, paddle boarding and many others. You can also engage yourself in the free morning jogs with our lovers along the 14 km track. Taking photos in another added advantage for you. It is located at a stone throw distance from the Jumeirah main street. You can't afford to miss this fun at Kite Beach.

#13 Fly Board

In the long list of the things that attracts most visitors to Dubai is the fly board sport. This is an amazing brand new sporting activity in Dubai where the participant rises above the sea with the help of a hydro flying device and then dives back into the sea. It is a thrilling moment rising like a superman and also having a first-hand experience rather than hearing or reading about it. Experienced instructors offer you with a guide and advice on the best way to fly, how to remain balanced as well as to dive. This activity is offered at the Burj Al Arab.

#14 Jet Ski

The activity involves riding personal watercraft on the sea or any other water body for recreational purposes. In Dubai, the activity is very common along the coastline. The jet ski can go for speeds exceeding 100 kilometers per hour which will make you feel like you are flying. The activity can make your hairs rise but you will want to feel yourself time and again. The recreational activity can be found in places such as the Palm Jumeirah and Burj Al Arabi among other places in Dubai.

#15 Parasailing

Also, known as parakiting or parascending, is a special recreational kitting activity that you cannot afford to miss on your visit to Dubai. The activity allows you to fly in the air for as much as you wish. It offers you a lot of fun as well as adventure all these in one go. It also allows you to have a sky view of the city as well as a breathtaking view of the ocean from the sky. To enhance your security, one is offered the protective gear as well as clear guidelines from the experts on the ways to ensure the activity is a success for you. This activity is common in places such as the Jumeirah Beach in Dubai.

#16 Water Ski

This is an activity on the surface of the water in which the rider is pulled by a boat or a cable ski device over the water. The activity is closely related to the jet skiing but varies in some ways. Water skiing offers you another exciting reason why you should want to visit Dubai. The activity requires you to have a lot of confidence as you will be pulled at the speed of the boat. Water skiing is offered to you by various water sports companies such as Nemo WaterSports Dubai ski and flyboard which will ensure that your safety is guaranteed. To enjoy this fun activity, you will only need to visit places such as the Palm Jumeirah, Burj Al Arabi, Dubai's sheik island, Dubai Marina and several others.

#17 Kayaking

This another reason why you should make an effort of visiting Dubai. This activity is nearly similar to canoeing but the difference is the place where the paddler sits and the number blades on the paddle. Kayaking for instance at the Hatta Dam allows you to enjoy the peace at the sea as well as a view of mountains. Also, kayaking in Dubai Marina gives you an opportunity to explore the city beginning from the Sofitel the Palm through the Atlantis, Burj Al Arabi and eventually the Burj Khalifa. This will allow you to have a view of the towering buildings and the different architectural designs used in the buildings. Kayaking at the Eastern Mangroves provides an opportunity for you to explore the Mangrove forest in the United Arabs Emirates.

#18 Windsurfing

Windsurfing is yet another recreation activity on the water surface integrates the elements of surfing as well as those of sailing. The activity enables you to feel the gentle breeze of the sea as you surf on the water. The speed at which you are going to move at will most depend on the strength or the weakness of the wind in the sea. It can, therefore, be speedy depending on your wish. One is given advice by the experts to prevent the risk that may arise. This activity is common at the Jebel Ali Golf Resort & Spa, Palm Jumeirah and several other places.

#19 Paddle Boating

The activity is almost similar to kayaking. The two shares several features but the only difference is that in Kayaking, bladed paddles are used while in paddle boating, the rider uses the paddle wheels. Paddle boating allows you to have some light fun as you move around the sea in Dubai. You will be able to view a variety of sea creatures such as birds and fish, a view of the mountains and buildings, enjoy the calm and peaceful breeze at the water and also feel the fun of speedy moves in the sea waters. In Dubai, this activity is common in various places such as Ras Al Khaimah, Hatta dam, and several others. This activity is offered by multiple companies such as SeaYou, Kite N Surf, and Kitesurfing – Kite Zone Dubai, Surf House Dubai and several others.

#20 Cruise Ride

It is no secret that cruise riding is a major tourist attraction in Dubai as it is to many other places with similar services. Sailing on the sea waters in the company of your loved one gives a feeling that is rare to find elsewhere. This is why you need to make an effort and feel it yourself. The experience is in a way hard to describe but it is just amazing. Enjoying a meal or even a drink on the boat, watching the creatures in the sea, taking selfies to share on the Instagram, among other things makes it extremely wonderful. Cruise riding is offered in places such as the Dubai Marina, Dubai Creek, Burj Khalifa, Burj Al Arabi, Palm Jumeirah, Bateaux Dubai, Atlantis, Musandam and few others.

#21 The Walk At JBR

The famous walk at the JBR is a walk on a 1.7 kilometers stretch of the Jumeirah Beach Residence complex in Dubai. The walk has been a major tourist attraction site in Dubai since it was officially launched in 2008 by the Dubai Properties Group. The 1.7 KM stretch allows the visitors to do their shopping, dining with colleagues as well as walk along the sea. On the strip, there are various features that are very attractive to both the local and the international visitors. These include outdoor pop-up, boutiques such as Sauce-on-sea among others. After you have completed doing your shopping, you can then an iced latte at the numerous cafes in the place which includes the Paul.

#22 Scuba Dive

This could be a new thing to you but worth giving a trial. Why you may ask? Because it will give the rare awe-inspiring feeling for you and your loved ones. The activity involves diving deep under the water where the diver has an underwater breathing apparatus. In other words, the diver carries their own source of breathing air which is compressed to ensure its independence from the water surfaces. In Dubai, this activity allows you to dive deep into the blue waters, have a view of the sea animals, as well as enjoy the Dubai waters. To ensure this, the sporting companies such as SeaYou and Kite N Surf gives the visitors the protective gear and also the necessary advice.

#23 Beach Volleyball

This is a game involving two teams and that is played on the sand courts of the beaches. It is then divided by a net and each team takes its side. The game gives the volleyball enthusiasts a different experience from the usual one that they are used to in the common grounds. It also enhances the skills of the players and at the same time, they enjoy the cool and calm sea breeze. During the games, refreshments are also provided for the visitors and participants. In addition, the visitors are given a platform to socialize and networks thus making new friends as well as learning new things. Beach volley is found in places such as Jumeirah Beach Residence (JBR) and Kite Beach Dubai. Let's meet on the sand for these and much more.

#24 Dolphin Encounter

Dolphin Encounter is an experience you cannot forget under whatever circumstance. The activity entails an encounter with the dolphin that has been caged. You are allowed to personally connect with the dolphin through ways such as hugging, kissing, dancing, and photo taking. You will also have a chance to watch the dolphin show their high energies in jumping. Other services you will get in the dolphin encounter includes wet suits, orientation by an expert, refreshments, towels, and lockers among others. This recreation activity can be found in Dolphin Bay in Atlantis and few others.

#25 Sunbathe

Sunbathing is the act of sitting in the sun. The activity is very common on the numerous beaches in Dubai. With it come enjoying and relaxing at the beaches while basking at the hot sun and a cool breeze from the sea. In addition, you can enjoy your drinks as you sunbathe. You will also have a great chance to take photos and selfies of yourself as well as the surrounding. If you wish to enjoy alcohol, you can choose to use the private beaches as this is not allowed on the public beaches. Sunbathing is available for at Mariana heights, Al Majara, Park Island, Princess Tower, Marina Quays and several others.

#26 Al Mamzar Beach Park

Al Mamzar Beach Park is a family friendly park. It offers you with a variety of activities to choose from. The park accommodates various beaches and beautiful green fields. It, therefore, offers you with activities such as swimming in the pools, walking on the beaches, picnics for the loved ones, playgrounds for the children, parks for skating among many others. The park also has multiple barbecue areas which contain chairs, tables, and grills. There are also beautiful palm trees that are planted in the park making it one of a kind. The park also contains a variety of grown green life hence making the park very admirable. You can't imagine missing this.

SKY ACTIVITIES

It has never been better for the adventurers than it is now. With multiple of fun and thrilling events to choose from. The activities ranging from the oceans and seas to the land and now to the air. With all these activities, it would be justice enough to refer Dubai city as the silicon valley of tourism, fun, and entertainment. Dubai presents you with an opportunity to explore the horizons of the great city, discover new destinations, feel the love of the atmosphere and the as well as conquer the forces of gravity. It however not great as it may sound until you have done it yourself. Psych yourself up and go for it. Below are the primary activities you can participate in the Dubai sky and live to remember, narrate and also wish to have the same experience forever.

#27 Sky Diving

Also to as parachuting is an activity that involves transiting from high points on the sky or above the grounds by the help of the forces of gravity. The activity is quite familiar to many but still a number of people are always wishing for a moment when they will experience this themselves. You may also be wondering where you can have the experience yourself and failing to get the right solution. Well, here is your moment. Dubai city presents you a chance to engage in your dream activity of diving in the sky. You will have the opportunity to enjoy a unique feel of flying through the sky of among other places the redwood forest, seas, beaches, beaches, malls and other fantastic places.

#28 Paragliding

Paragliding is an activity or sport that is slightly different from the parachuting and involves flying paraglide. The paraglide have no definite structure to enhance landing. This sport is not very common in many places hence the need to travel to places where such are offered. This activity will give you the opportunity to have an opportunity to have an aerial view of the mega Dubai city. You will also have a chance to enjoy the warm climate of Dubai, get entertained and have so much excitement. Al Boom Diving (Fujairah) is one of the few companies that offer you a breathtaking adventure in Paragliding.

#29 Bungee jumping

The bungee jump is another thrilling recreation activity that offers you an adrenaline rush you have always yearned for in your life. The adventure involves dropping you from around 50 M or more above the ground in a jump that is gravity insolent. The jump thrills and makes you feel excited as you slowly fall down. The jump is safe for you as you will be under the hands of trained personnel as your instructors. It gives you an opportunity to view the city from the top. Gravity zone is located near Sheikh Zayed Road.

#30 Dinner in the Sky

One the most exciting is having dinner in the sky. Yes! Dinner in the sky. This must be the moment you have been waiting. Taking your dinner up in the sky. Dubai opens the doors for you to enjoy a meal on the sky. The activity is enabled by the use of cranes which has a place for chairs and tables hence making a very good dining place. Other than enjoy the meals you will also have an opportunity to view the magnificent city of Dubai. The services of dining in the sky are offered by companies such as The Fun Group whose origin is Belgium, Dubai International Marine Club, Dubai Marina and others.

#31 Hot Air Balloon Ride

To add to the list of things of the things that are very attractive to the tourist both from the United Arab Emirates and those from outside the country is the Hot air balloon adventure. The ride entails flying up to the sky while you are in a balloon. This provides you with an experience that would take you a century to erase in your mind as the balloons can fly to as high as 4000 feet or in other words, more than 1 kilometer above the ground. Can you imagine this? Also, you will have an opportunity to enjoy the meals while on the balloon. This activity can be offered by Vintage Land Rover Balloon Safari and other several companies.

#32 Helicopter Tour

This is yet another activity that should make you visit Dubai. The activity involves traversing the Dubai city a helicopter for several minutes. With it comes various advantages such as the enjoy a flight, enjoy viewing the golden Dubai city, refreshments and drinks during the flight, interaction with the pilot among others. You will also have a good chance to take photos of the city from the top as well as the photos of the desert. Helicopter tours are offered in places such as Burj Khalifa, the Atlantis, the Burj Al-Arab hotel and the Palm Jumeirah.

#33 Gyrocopter

Dubai has unlimited attraction sites as well as activities. Among them is the gyrocopter which involves the use of a rotorcraft that applies a rotor to initiate a lift. The experience one gets from a gyrocopter is more or less similar to that which they get during the helicopter tour. However, the major difference between a helicopter and a gyrocopter is that a gyrocopter does not have an engine and instead its rotors are self-propelled. The gyrocopter also has a wing that improves its stability thus making it withstand the turbulence that may arise. Some of the experiences you will get by riding the gyrocopter includes viewing the city, the desert, the redwood forest, photo taking and breathtaking experience in the sky.

#34 Micro Flight

This is another attractive activity that deals with carrying small weights in an aircraft that is gas-powered with a very small engine. The activity takes you high in the sky and at the same time allows you to view the beauty of the city, the desert, the beaches, the mountains and the seas. These activities are also offered at prices which match the experience you will have while in the sky. In addition, the micro-light moves at the speed you wish meaning it can move slowly to allow you an opportunity to take photographs of the city from the perspective of the birds. Apollo Micro Flights and other related companies will offer you the opportunity to explore the beauty of Dubai using a micro flight.

GARDENS & PARKS

Just how would Dubai be without gardens and parks? Unimaginable, right! Dubai's gardens and parks are one of the major attraction sites and a key reason why should personally visit Dubai. Walking in the hot sunny weather with your loved ones while enjoying your favorite drink and barbecues, enjoying the green colors and also the may flowers, sitting out in the sun, partying, enjoying the fountains, taking the photos among many others are just some of the things you will have a taste of when in Dubai gardens and parks. Dubai has a variety of both gardens and parks which you will have an opportunity of choosing from once you are there depending on your preferences. Below are the most attractive gardens and parks for you in Dubai which you should make an effort of paying a visit.

#35 Dubai Miracle Garden

This is among the leading gardens in Dubai. The garden could be described as one of its kind as it provides you with numerous services. It is the world's largest natural flower garden. It has not less than 100 M flower of various types and colors that will keep you gazing for hours. The garden boasts an area of 72000 sqm. It is located close to the Arabian Ranches in Dubai. Since its opening in 2013, the garden has been attracting an average 1.5 M guests annually.
